## SUBSCRIPTIONS

Issue date: March 2009

*Literary Imagination* is a forum for all those interested in the distinctive nature, uses, and pleasures of literature, from ancient to modern, in all languages. Its aim is to encourage wide-ranging discussions between those committed to the reading and study of literary works, and to the reading and writing of poetry, fiction, translations, drama, non-fiction essays, criticism, and scholarship concerned with them. The Journal seeks to develop a healthy environment for academic literary study and for the literary culture that extends beyond the academy. The Journal welcomes literary scholars, both academic and independent; teachers of literature in colleges, universities, and secondary schools; poets, novelists, playwrights, actors, and directors; translators, journalists, critics, editors, and publishers; and all other serious students of literature, wherever they come from and however they define themselves.

**Subscription prices.** A subscription to *Literary Imagination* comprises 3 issues per year. Prices include postage by surface mail, or for subscribers in the UK and Europe by air freight, or in India, Japan, Australia and New Zealand, by Air Speeded Post. Airmail rates are available on request.
